

# Serious Illness. Critical Coverage.

## Affordable Critical Illness Insurance

*Exclusively for AMSC employees and their families*

If serious illness interrupts your life, don't let worries about money get in the way of getting better. Critical illness insurance provides a tax-free lump-sum payment to spend any way you need.

It is an unfortunate fact – even with the best extended health and disability plans, a serious illness can end up costing you money. Critical illness insurance is designed to give you some extra resources at a time when you need to focus on your health, not your finances. Underwritten by Industrial Alliance Insurance and Financial Services Inc., the plan provides coverage for 25 illnesses and includes several value added benefits at no additional cost.

### Coverage for 25 life-changing illnesses:

- Aortic Surgery
- Aplastic Anemia
- Bacterial Meningitis

## Additional Benefits at No Extra Cost

### Claims at TuGo

Should you choose to use private medical facilities, **Claims at TuGo** may help you make your money go considerably further than if you personally arrange medical treatment. You can find more information at [tugo.com/tms](http://tugo.com/tms). Note that utilization fees may apply.

### AdvanceCare Benefit

The AdvanceCare Benefit will pay 10% of the total benefit amount for coronary angioplasty and several early stage cancers. The payment of the AdvanceCare Benefit will not affect the benefit payment for a covered condition. This benefit is not available to dependent children.

### Multiple Event Coverage

No one knows the value of critical illness insurance better than someone who has already received a benefit payment. The Multiple Event Coverage benefit allows you and your spouse to claim multiple times for separate and unrelated covered conditions.

### Protection for the entire family

Coping with a serious illness is one of the greatest challenges any family can face. Purchasing coverage for your spouse and dependent children gives you peace of mind knowing that you will have some extra financial resources to help your entire family through a difficult time.

You and your spouse can apply for up to \$300,000 in coverage. And you can apply for up to \$10,000 in coverage for your children. Children will be protected for the same 25 illnesses as adults plus 6 child-specific conditions:

- Cerebral Palsy
- Down's Syndrome
- Congenital Heart Disease
- Muscular Dystrophy
- Cystic Fibrosis
- Type 1 Diabetes

All your children are covered for one low premium rate. Children born after your initial purchase can be added to the plan without the need for medical underwriting. Simply complete a Request to Add a Child within 180 days of their birth. Dependent child coverage is only available if you are also insured under the plan.

## Important Questions and Answers

### What is critical illness insurance?

Critical illness insurance pays a lump-sum benefit directly to you upon diagnosis of a covered condition. The benefit payment is tax-free, and you can spend it any way you wish. Benefit payments for your children will be paid to you.

### How does critical illness insurance differ from health benefits?

Your existing health benefits pay for medical costs, but there are many other expenses associated with a serious illness that are not covered. Items such as home modifications, childcare or additional household assistance can play an important part in recovery. Critical illness insurance pays a lump-sum, tax-free benefit on top of your other insurance plans to use any way you wish.

### Does critical illness insurance duplicate or replace disability benefits?

No. The two products provide complementary, but different benefits and are important in creating a complete umbrella of insurance coverage. While disability benefits cover a much broader range of disabilities, payments are subject to ongoing review of your medical condition. Critical illness insurance pays a lump-sum benefit that is not dependent on your ability or inability to work, or whether or not a full recovery is made.

### Are there limitations or exclusions I should be aware of?

Yes, there are some important limitations and exclusions for you to be aware of before you apply for coverage:

- The insured person must survive for 30 days (90 days for paralysis, loss of independent existence or bacterial meningitis, 180 days for multiple sclerosis or loss of speech) after first being diagnosed for a benefit payment to be made.
- If the insured person is diagnosed with a benign brain tumour or cancer within the first 90 days of coverage, a benefit will not be payable and benign brain tumour or cancer will no longer be considered covered conditions.
- Any covered condition or AdvanceCare Benefit Condition diagnosed prior to the effective date of coverage is excluded.
- No benefit will be paid if the covered condition or AdvanceCare Benefit Condition results from: attempted suicide, alcohol or drug abuse, war or armed forces service, self-inflicted injury, taking poison or inhaling gas, or participation in a criminal act. For blindness, coma, deafness, loss of limbs, severe burns, paralysis or stroke, no benefit will be paid if the condition is a result of participating in hazardous sports or activities. There is also an exclusion for certain pilots.

### What happens to my coverage if I am no longer an employee of this group?

Because this is group insurance, you must be an eligible employee to join the plan, and to maintain coverage for yourself and your family. However, conversion to a separate policy is available to you and your spouse before age 65, within 31 days of ceasing to be eligible, provided coverage has been in force for at least 24 months. A maximum of \$100,000 may be converted.
