

[PETER BROWN]

- Good morning, everyone.
- My name is Peter Brown and I'm the Mayor of the City of Airdrie and Director of Cities up to 500,000 for AUMA.
- Welcome to the last day of Spring MLC!
- We had 419 participants at our session yesterday, so we'll see if we can set a new record today.
- Before we get started, I'm going to refresh your memory for the last time on the Zoom platform.

[PETER]

- We will be taking questions for each Ministers' dialogue session through both the phone in line and the Zoom Q&A box.
- You can post your questions by clicking on the Q&A symbol on the bottom of your screen.
- Just type in your question and we will make our best effort to respond to as many questions as we can.
- Alternately, you can call in to the conference line to ask a question directly.
- We'll put the phone number up on the screen when we get to those sessions.

[PETER]

- You can also use the chat box which is also found on the bottom of your screen.
- You can post comments and chat with other attendees in this session, but we will not read out questions in the chat to Ministers.
- Also, when you are posting in the chat, make sure that you have selected “All panelists and attendees” in the drop-down list so that everyone can see your comments.
- The session is being recorded and we will make both the recording and presentations available to you.
- And please note that today’s session is open to the media.

## Gift Basket Draw

[PETER BROWN]

- We are doing our final gift basket draw today, so stay with us until noon for a chance to win.
- You need to be on the line at the end of today's session in order to win, and we will arrange to have the gift basket delivered to the lucky winner.

[BARRY]

- Thank you, Trina.
- Before we do the gift basket draw, I just want to take a moment to tell you about some upcoming AUMA events.
- The 2021 AUMA Public Risk Conference is taking place May 3 – 7 to coincide with Emergency Preparedness Week
- Daily sessions will take place at 11 a.m. and cover top-of-mind risk management issues such as disaster recovery, asset management, and cyber security.
- The event is virtual and complimentary, so head to the AUMA events website for more information and to register.
- And of course, we have to talk about Convention!
- We are currently planning for an in-person event – crossing our fingers that 2021 brings us all back together under one roof.
- While we are focusing on the in-person delivery, we have heard from our members that a virtual component will allow more council members to take part in the event.
- So with that in mind, we are committing to a virtual offering that will allow members to attend all plenary sessions virtually, including voting on Resolutions and Elections.
- If you have a resolution to submit, the deadline is June 30.

- Please visit the AUMA webpage for all the information you need, including the Resolutions Writing Guide and Template.
- Our 2021 Convention is set to be one of the best yet – and we will be coming out with more information as we get closer to summer, so stay tuned and get excited!
- And now, the moment you’ve all been waiting for – the gift basket draw.

[THE WINNER’S NAME AND MUNICIPALITY WILL COME UP ON THE SCREEN.]

- Congratulations to [WINNER]!
- I’d like to thank all of the Ministers for taking time out of their busy schedules to be here today.
- I’d also like to thank everyone who attended.
- I know virtual meetings can get exhausting, but I’m really impressed by everyone’s interest and engagement at the online events we’ve been holding over the past year.
- It’s really important that we keep finding ways to gather and connect and work to strengthen our advocacy on behalf of our municipalities and our citizens.
- And we hope to be able to finally do this in person this fall!
- Have a good afternoon everyone and stay safe!
